

Index to the Brier Rose Cottage Guestbook, 1886-1914 1982.060

Note to users:

This is a guestbook for a cottage on Lake Webster in Franklin, NH. Entries were made by the extended family and friends of the owner, Warren Fisher Daniell. It was a popular destination, visited many times, so names repeat many times and with many variations: full name, initials, first name only, first initial and last name, etc. When it was clear to the indexer who a person was across all variations, entries for that person have been listed under the full name even when many entries are partial. Thus, Warren Fisher Daniell Jr. (son of the owner and the most frequent user of the house) signed himself variously as WFD Jr., W. Fisher Jr., Warren F. Daniell Jr., Warren Fisher Daniell Jr. All these entries have been listed under his full name.

In addition, there are two sets of page numbers because two books with printed page numbers were put together. Entries are identified by a number (1 or 2) indicating first part or second part, followed by the page number. Thus 1: 24 means part one, page 24 and 2: 157 means part two page 157.

NOTE: a number that is underlined (18) indicates the name appears more than once on that page.
